Friday 23rd May - Last day of the Summer 1 term

What are we up to next half-term?

Next half-term, our key texts are: **We're Going on a Bear Hunt**, **Gozzle** and **Rumble in the Jungle**

During Summer 1, we will be continuing to explore texts about animals. These texts will be the main thread throughout our learning for those two weeks. During this time, our curriculum will focus on communication, cognition, co-ordination, compassion, control and creativity. These are our key

as-

Communication	Co-ordination	Creativity
Expressive vocabulary Articulation Language and comprehension Collaborative conversation Listening Social communication (Output) Social communication (Input)	Fine motor skills Gross motor skills Sensory Mobility Stability and balance Posture Sensory processing	Generation of ideas Problem-solving Attention Motivation Making things Courage and determination Trust
Cognition	Compassion	Control
Working memory Speed of processing Inference Anticipation Reflection Evaluation Analysis	Friendship Turn-taking Empathy Sense of justice Self esteem Self-efficiency Support to others	Self-regulation Behaviour for learning Anxiety management Confidence Resilience Language of emotions Independence

Tapestry

You may have previously received an invitation to provide you with access to Tapestry. We have recently started using Tapestry for all children in Pangolins as this provides you as parents with a way of seeing what your children have been up to in the day. As well as this, Tapestry provides us with a means of assessment for our continuous provision. We would be extremely grateful if you could set up your account as this will provide us with another means of communication. Within our Tapestry posts and updates you will see pictures of learning we have done in class, key moments from our day and images from our life skills trips. Our children find communication to be a significant challenge, therefore, Tapestry provides a bridge between what has happened at school and allowing conversation around this to happen at home. Please do not hesitate to ask for any help or support with using or setting up your Tapestry account.

NANA

NANA is the Nepalese Additional Needs Awareness (NANA) charity. Their aim is to remove cultural and language barriers that obstruct education and support of children with additional needs within the Nepali community in Rushmoor and surrounding areas. They aim to do this through raising awareness, engaging with schools, providing information and training opportunities.

The charity provides support for families and children who have Autism and Attention Deficit Hyperactivity Disorder (ADHD).

If you would like to contact the charity, please use the email provided nana.org2023@gmail.com

They can also be found on Facebook.

As a community, it is important to come together and support our children and families.

NO MOBILE MAY

Put Down the Phone. Pick Up the Moment.

This May, let's make school drop-offs and pick-ups screen-free

Talk with your child - even a few minutes makes a big difference

Walk, chat, laugh - be present in the little transitions

At the School Gate:

- No phones during pick-up/drop-off
- Make every "hello" and "goodbye" count

We look forward to you joining us in our mobile free pick up!
