Monday 16th June

Dear parents and carers,

In the run-up to sports day, we check the weather with fingers crossed that we do not have rain. This year, however, we have not been given rain; we have temperatures of around 30 degrees and high UV. Due to this, **we will be holding sports day within the school grounds** as this provides more shelter and access to resources.

To support this change, our day will run slightly differently. We would like to invite all parents to spend the morning with us. We will have the round robin and races running simultaneously on the school field and playground. There will be designated areas for parents to stand and spectate for all events. These will be held from **0915 - 1130**.

As the children are taking part in sports all day, we would like them arrive dressed in their PE kits with a top which represents their house colour. If they do not have house colours, children should wear their normal kit.

Waterloo – Blue

Agincourt – Green

Salamanca – Yellow

Trafalgar – Red

Please ensure that your child brings in a water bottle, snack and a hat. Please apply sun cream before they arrive.

At 1130, the children will be returning to the classroom where they will continue their sports day activities. Due to the change in venue, we will **no longer be having our annual sports day picnic.**

You can **collect your child at the normal time of 3.20pm.**

Thank you for your support and celebration of this school event. We apologise for the change, but we make all decisions with the children's welfare in mind.

Yours faithfully,
Miss Horner
PE Lead
