Dear parents and carers,

Important messages

TT Rockstars Battle Day - Thursday 23rd November 2023

We are really excited at Talavera as we will be having our first ever **Battle Day** across the whole school in November! We are busy planning a wide-range of fun mathematical investigations and activities based around the times tables for the children to take part in and throughout the day, there will be many opportunities for the children to practise their times tables by battling other children, other year groups and even us teachers!

In order to enthuse the children even more, we are asking them to dress up as a rock star; it could be based on their own TT Rockstars avatar, the TT Rockstar characters or a famous musician. Just for the day, Mrs Webb is going to allow children to have (washable) dye in their hair and face paints as part of their costumes.

We do hope you will support your children with this event and look forward to a fun-filled mathematical day. Let the battles commence ...

Yours faithfully,

Allie Howard
Maths Lead
