

Dear parents and carers,

As ever, the year has flown by. Can you believe that we're already into the last half-term of the 2024-2025 academic year?

This is, as always, our busiest half-term, with lots of trips and events on the horizon. For our year 6 pupils, this half-term is filled with transition visits for secondary school and an exciting look at their next step.

We thank you for the wonderful support you've given to the school this year and look forward to welcoming you in for more events!

Reporting harm online

As a school, we are regularly sent ways to help children stay safe online which may be helpful to you.

If you need to report harmful content or interactions online, please follow the link below:

<https://www.internetmatters.org/report-issue/>

Roblox

Following a number of recent concerns in the national media, Roblox have now implemented new parental controls. Take a look to see how these can support you:

<https://corp.roblox.com/newsroom/2025/04/new-parental-controls-on-roblox>

Gemini AI

As the world gets more excited about AI, we need to continue to consider its impact on children. You may not realise that Gemini AI will now be active as standard on new Google phones. This means that, even if you have robust parental controls, your child will still have full access to the internet through this AI. This access can, however, be turned off.

No Mobile May—thank you!

We wanted to thank you for the support that you offered to No Mobile May. We know that it meant a lot to pupils and they talked to school staff a lot about what they'd be doing talking to you about all morning.

Going forwards, please continue to be mindful of the wonderful gift you're giving your children when they have your undivided attention. Thank you!

Share your experience

If you would like to, we have been encouraged to invite you to take part in this survey about your experience with your child's first phone.

<https://swgfl.org.uk/magazine/take-our-survey-share-your-experience-on-your-childs-first-smartphone/>

THANK YOU AND WELL DONE

A huge well done to all of our year 6s for their outstanding effort in their SATs last half-term. They did themselves so proud!

We also know that this required lots of support from home—not just this year but throughout your child's education. Thank you for all you have done!

Victoria Day parade

On Saturday 7th June, we invite you to join in with the Victoria Day parade, which will be taking place in Aldershot.

This is a great opportunity to celebrate and don't forget to dress up for the watery theme!

The parade will begin at 11am and will progress through town for around 45 minutes—1 hour.

If you would like to be involved with the school's walk, please meet at Prince's Hall at 10.50am.

We can't wait to see lots of you there!

British Values Day

We could not be more excited for our British Values Day, held on Friday 6th June, but with events running all week.

Your child will learn traditional dances such as Maypole and Morris dancing. They will have the opportunity to take part in a street party and learn some jazzy 1940s moves! We will learn about the importance of VE Day and Victoria Day, including of course the role of the military in Europe's victory.

We are so excited to hold this event—our biggest and best British Values event yet. **Please wear red, white and blue or any uniforms such as Scouts or Brownies.**

Operation Angiolini

Operation Angiolini is run by Hampshire police and specifically addresses non-consensual sexual offences—this includes exposure, voyeurism, up-skirting and outraging public decency. These events will always be reported to the police by the school if witnessed.

In addition, Hampshire police are encouraging us to remind you to report anything which makes you feel uncomfortable or unsafe around the school.

In addition, please see Hampshire's Public Safety pages: <https://www.hampshire.police.uk/cp/crime-prevention/personal-safety-how-to-stay-safe/>

Dame Milkingson

Some of you will have noticed the special visitor in our front office—Dame Milkingson! Please feel free to pop along to meet her.

You may notice her at some of our events in the future. She is utterly thrilled to be with us.

Cold water shock

Even in the beautiful sunshine, cold water shock is a real danger. Please ensure your child knows how to keep themselves safe around bodies of water and, if they do get into trouble, remember:

**Roll over * Act quickly *
Get warm**

Key Dates

June

Monday 2nd June: First day of Summer 2 term

W/C 2nd: Year 4 national multiplication check

Tuesday 3rd-Thursday 5th: Year 6 residential

Wednesday 4th: Year 3 Wisley trip

Friday 6th: British Values Day

Saturday 7th: Victoria Day Parade

Friday 13th: Year 4 Ogden trust workshop (selected children)
