Dear parents and carers,

### **Important messages**

#### **Y5 Winchester Science Centre - Thursday 8<sup>th</sup> May**

At Talavera, we are committed to ensuring that your child's education is as exciting and engaging as possible. We were very fortunate to have been chosen by Winchester Science Centre to receive free workshops that took place during the autumn term and, on top of that, they have funded our trip to Winchester Science Centre. The children have thoroughly enjoyed our space unit over the last term so this trip will fuel their excitement and curiosity further.

This will take place on **Thursday 8<sup>th</sup> May**. We will be travelling by coach, leaving school at **9am and returning by the end of the school day at 3.20pm.**

Please send your child to school with a **packed lunch**. If your child is entitled to Free School meals and you would like one provided for the trip, please email or speak to the office. Your child needs to wear their **school uniform** but also **trainers** due to the amount of walking the children will be doing.

We are asking for a voluntary contribution of **£11.50** for the trip, to cover the cost of the travel and this can be paid via Arbor. We are sure that you are just as grateful as we are that Winchester Science Centre have funded the price of entry for each child reducing the overall cost. As a school, we will not be able to offer these trips in the future if there are not enough voluntary contributions and we are unable to make up the shortfall.

We cannot wait to encourage a passion for science and technology!

Yours faithfully,

Naomi Heaton
