

# Year 6 Summer 1: All the World's a Stage!

  
**KEEP CALM**  
AND  
**SMASH YOUR SATS**

Hello and welcome back to another busy half-term! We hope you've all had a wonderful break and a chance to rest. On Tuesday 9th May, your child will be sitting the first of their formal SATs tests. They have been working incredibly hard this year and their teachers are so proud of them! Please do contact the school if you would like any revision materials as your child's teacher would be more than happy to supply them.

## Topic Overview:

**Science:** The Human Body

**Computing:** Website Creation

**PSHE:** Making and Saving Money

**RE:** Power

**Indoor PE:** Gymnastics

**Outdoor PE:** Athletics

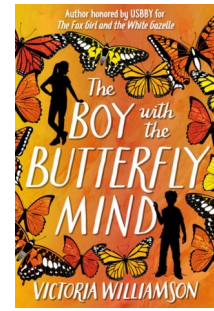

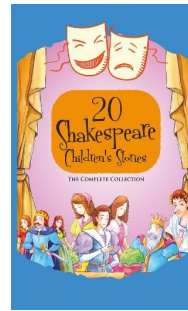

**Music:** Arabian music - creating an atmosphere

**French:** The Very Hungry Caterpillar

**Geography:** Hong Kong

## What is this topic about?

This unit is all based around Shakespeare. In fact, on the 15th May, to help your child get to grips with Macbeth, they will be participating in a drama workshop. We know they're going to all be wonderful actors by the end of the term- especially when we begin to apply these skills to our first whole school production!

We've got lots of different versions of the Macbeth text that we will be using, each designed to help develop your child's understanding and enjoyment. If you want to explore any other Shakespearean texts with your child, please do!

We're also going to be beginning a text called, 'The Boy with the Butterfly Mind' in Reading Journey- a text that we know year 6 are going to love!
