Dear parents and carers,

Important messages

Invitation to Year 6 Maths Parent Workshop

Wednesday 24th January 2024 6:00 pm - 6:45 pm

Happy New Year! We are inviting you to a maths workshop, focusing on reasoning and problem solving. This will give you an insight into the types of problems and questions your child will have to answer in their maths SATs later in the year and offer suggestions about how you could best support and encourage them.

With the raised national expectation for mathematics, it is really important that our children get all the opportunities available to develop their problem-solving skills and mathematical thinking. As part of this workshop, you will be provided with a range of strategies, activities and resources to help you continue to support your child at home in a similar way to how your child is taught in school. Your ongoing support is crucial to help your child achieve age related expectation at the end of the year.

A crèche for any younger siblings will be provided at the workshop and if you require a place, please complete the form via the link below: -

<https://forms.gle/MKB9FSbBaupuLLNg9>

To register your attendance, please confirm through the Trips section on Arbor.

Yours faithfully,

Allie Howard
Maths Lead

Alexis Pinto
Year 6 Leader
