

Talavera Junior School Access and Parking Map

Where possible children should, walk, scooter or cycle to school. If parents must drive then we have a park and stride site located at the High Street Carpark.

The gates at the back of the school are unlocked 8:30 to 9:30am and 2:45 to 4:30pm.

Park and Stride Site

Our Aims

1. To increase the number of children living within 2 kilometres of the school who walk, scoot or cycle to school whenever possible.
2. To reduce traffic in Gun Hill by asking parents who drive to make use of the Park and Stride site.
3. To make the school run pleasant and safe for all.

Key to Map

- Drop off car park
- Location of Talavera Junior School
